NO JARDIM DE EPÍCTETO

O aprazível de ver estes frutos,
e a frescura que sai d'estas árvores frondosas,
são — disse o Mestre, — outras tantas
solicitações da natureza para que
nos entreguemos às melhores delícias
de um pensamento sereno.

Pessoa Inédito. Fernando Pessoa.
(Orientação, coordenação e prefácio de Teresa Rita Lopes).
Lisboa: Livros Horizonte, 1993.

A quote from Fernando Pessoa honouring
the delightful power of nature.

Todas as bebidas espirituosas são de 4,5cl, salvo indicação em contrário.
All spirits come in 4,5cl servings unless otherwise stated.
